SOUTHWEST EMS ACADEMY

ONLINE EMT COURSE REGISTRATION

All prospective students must meet admission requirements

- Contact program registrar 512-575-8100

- Complete student application online and pay tuition.

- Must be 17 years or older PRIOR to the start of skills testing, clinical rotations, and field internships. Students who do not meet this requirement cannot attend the EMS Skills Academy Week until they are at least 17 years of age.

- Have a high school diploma or GED; if the student is a senior in high school, they must have a letter from their school counselor confirming their expected graduation date.

- Complete and pass a criminal background check through our contracted service provider prior to arriving at our facility for EMS Skills Academy Week.

- Complete and pass a drug screen through our contracted service provider no more than 30 days prior to arriving at our facility for EMS Skills Academy Week.

- Submit proof of required immunizations. Students will not be able to attend clinical and field internship rotations unless we have received the required immunizations.

- **<u>Students without good academic or computer skills should consider a traditional classroom format instead.</u>**

STUDENTS WILL NEED REGULAR ACCESS TO A RELIABLE COMPUTER WITH:

Current Computer Operating System

- Our program can be accessed through many different devices. Please see our policy on system requirements.

Good Quality Internet Service

- Our course uses a web-based learning platform so good internet is a must.

Current Computer Applications (including but not limited to)

- Current Flash Player, a type of PDF reader such as Adobe Acrobat, word processor, excel spreadsheets, etc.

An active email account

- Communication in our program is vital for the student's success. Having access to a reliable email account to communicate with the instructors, submit assignments, and create multiple student user accounts is required.
